* * * *

"In accordance with the principles formulated by the Sub-Committee at its last meeting, 21 Brahmin Officials (list attached) appointed subsequent to 1920 will have to be asked to take their chances elsewhere, unless there is a chance of any of them being absorbed immediately in general vacancies."

"19 Brahmin Officials (list enclosed) appointed prior to the operation of the Central Recruitment Board Rules have to be absorbed without advertisement in General vacancies only as the Sub-Committee was not in favour of any Special vacancies being given to them."

"As regards the officials belonging to the backward communities they may all be appointed without advertisement in special vacancies if they are duly qualified.

As it is likely that many of the officials mentioned in the lists are acting either in permanent or long standing vacancies it seems to be possible to absorb all the Non-Brahmin officials mentioned in Para 3, and many of the Brahmin officials mentioned in Para 2. All these vacancies will have to be classed as General or Special in accordance with the Recruitment Rules."
